

hull or single bottom design variations, non-shipshaped FPSO systems, increased crude oil storage up to 2.3 million barrels, dynamically positioned shuttle tankers, reinjection of natural gas for later recovery, and gas-to-liquids conversion.

3. *Alternatives.* One of the alternatives to be considered in the DEIS is the exclusion of FPSO systems from the "lightering prohibited area" established by the U.S. Coast Guard at 33 CFR part 156 subpart C. Other alternatives may be identified during the scoping process.

4. *Scoping.* Scoping is an open and early process for determining the scope of the DEIS and for identifying significant issues related to a proposed action. Scoping also provides an opportunity for interested parties to help identify alternatives to the proposed action. For this DEIS, public scoping meetings will be held from 7 p.m. to 10 p.m. on June 21, 1999, at the Natural Resources Center—Room 1003, Texas A&M University in Corpus Christi, Texas; on June 22, 1999, at the Radisson Hotel and Conference Center, 9100 Gulf Freeway, Houston, Texas; on June 23, 1999, at the Beaumont Hilton in Beaumont, Texas; on June 24, 1999, at the Players Island Hotel in Lake Charles, Louisiana; and on June 28, 1999, at the Radisson Inn Airport in Kenner (New Orleans), Louisiana. Additional information on the scoping meetings will be distributed to interested parties. Details on the times and locations for the public scoping meetings will also be advertised in local media and are available on the MMS website at <http://www.mms.gov> or through the MMS Public Information Office at 1-800-200-GULF or GulfPublicInfo@mms.gov.

5. *Comments on the NOI.* In addition to participation at the scoping meetings, Federal and State agencies, local governments, and other interested parties are invited to send their written comments on the scope of the DEIS, significant issues to be addressed, and alternatives that should be considered in the DEIS to the contact person at the address listed below. Comments should be enclosed in an envelope labeled "Comments on the NOI to Prepare a DEIS on FPSO's" and should be submitted no later than 45 days after publication of this NOI in the **Federal Register**.

6. *Decisions.* The MMS will make several decisions based on the analysis in the EIS; (a) whether FPSO systems will be permitted in the Central and Western Planning Areas of the GOM OCS; (b) the range of acceptable FPSO operations; and (c) the potential exclusion of FPSO systems in certain

geographic areas of the Central and Western Planning Areas of the GOM OCS; or (d) a decision for no action. The no action alternative will mean that FPSO systems will not be permitted in the Central and Western Planning Areas of the GOM OCS.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No. 98-11]

Alfred Khalily, Inc. d.b.a. Alfa Chemical; Grant of Restricted Registration

On January 8, 1998, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA) issued an Order to Show Cause to Alfred Khalily, Inc., d.b.a. Alfa Chemical (Respondent) of New York, notifying it of an opportunity to show cause as to why DEA should not deny its applications for registration as an importer and as a distributor of List I chemicals, for reason that such registration would be inconsistent with the public interest as determined pursuant to 21 U.S.C. 823(h).

Respondent, through counsel, filed a request for a hearing on the issues raised by the Order to Show Cause. Following prehearing procedures, a hearing was held in Uniondale, New York on May 19 and 20, 1998, before Administrative Law Judge Gail A. Randall. At the hearing, both parties called witnesses to testify and introduced documentary evidence. After the hearing, both parties filed proposed findings of fact, conclusions of law and argument. On October 30, 1998, Judge Randall issued her Opinion and Recommended Ruling, recommending that Respondent's applications be granted subject to two conditions. On November 23, 1998, the Government filed exceptions to the Administrative Law Judge's Opinion and Recommended Ruling and on December 15, 1998, Respondent filed its reply to the Government's exceptions. Thereafter, on December 16, 1998, Judge Randall transmitted the record of these proceedings to the Deputy Administrator.

The Deputy Administrator has considered the record in its entirety, and pursuant to 21 CFR 1316.67, hereby issues his final order based upon findings of fact and conclusions of law as hereinafter set forth. The Deputy Administrator adopts, in full, the Opinion and Recommended Ruling of the Administrative Law Judge, and his adoption is in no manner diminished by any recitation of facts, issues and conclusions herein, or of any failure to mention a matter of fact or law.

Alfred Khalily started Respondent in 1990, and is Respondent's president, only officer, and only employee. In 1991, Respondent merged with another company named American Roland pursuant to a two-year contract. This company was involved in the
